

§ 32.13

recipients and to participants in employment and training under programs or activities financed in whole or in part by Federal financial assistance.

(2) A recipient shall make all decisions concerning employment or training under any program or activity to which this subpart applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees or participants in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants, employees or participants to discrimination prohibited by this subpart. The relationships referred to in this subparagraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) *Specific activities.* The provisions of this subpart apply to:

(1) Recruitment advertising, and the processing of applicants for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer-sponsored activities, including those that are social or recreational; and

29 CFR Subtitle A (7-1-11 Edition)

(9) Any other term, condition, or privilege of employment.

(c) *Collective bargaining agreements.* Whenever a recipient's obligation to comply with this subpart and to correct discriminatory practices impacts on and/or necessitates changes in a term of a collective bargaining agreement(s) to which the recipient is a party, the recipient shall attempt to achieve compliance consistent with the provisions of § 32.17(a). However a recipient's obligation to comply with this subpart is not relieved by a term of any such collective bargaining agreement(s).

(d) *Compensation.* In offering employment or promotions to handicapped individuals, the recipient shall not reduce the amount of compensation offered because of any disability income, pension or other benefit the applicant or employee receives from other source.

§ 32.13 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant, employee or participant unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include:

(1) The overall size of the recipient's program or activity with respect to number of employees, number of participants, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce, and duration and type of training; and

(3) The nature and cost of the accommodation needed.

(c) A recipient may not deny any employment or training opportunity to a qualified handicapped employee, applicant or participant if the basis for the denial is the need to make reasonable

accommodation to the physical or mental limitations of the employee, applicant or participant.

(d) Nothing in this paragraph shall relieve a recipient of its obligation to make its program or activity accessible as required in subpart C of this part, or to provide auxiliary aids, as required by § 32.4(b)(7).

§ 32.14 Job qualifications.

(a) The recipient shall provide for, and shall adhere to, a schedule for the review of the appropriateness of all job qualifications to ensure that to the extent job qualifications tend to exclude handicapped individuals because of their handicap, they are related to the performance of the job and are consistent with business necessity and safe performance.

(b) Whenever a recipient applies job qualifications in the selection of applicants, employees or participants for employment or training or other change in employment status such as promotion, demotion or training, which would tend to exclude handicapped individuals because of their handicap, the qualifications shall be related to the specific job or jobs for which the individual is being considered and shall be consistent with business necessity and safe performance. The recipient shall have the burden to demonstrate that it has complied with the requirements of this paragraph.

§ 32.15 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct preemployment medical examinations or make preemployment inquiry of an applicant for employment or training as to whether the applicant is a handicapped person or as to the nature or the severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination, when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally-

assisted program or activity, or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment or training to indicate whether and to what extent they are handicapped if:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts.

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant, employee or participant to any adverse treatment, and that it will be used only in accordance with this part.

(c) An employer who routinely requires medical examinations as part of the employment selection process must demonstrate that each of the requirements of this subsection are met:

(1) The medical examination shall be performed by a physician qualified to make functional assessments of individuals in a form which will express residual capacity for work or training. Such an assessment does not require clinical determinations of disease or disability, but shall provide selecting or referring officials sufficient information regarding any functional limitations relevant to proper job placement or referral to appropriate training. Factors which may be assessed may include, for example, use of limbs and extremities, mobility and posture, endurance and energy expenditure, ability to withstand various working conditions and environments, use of senses and mental capacity;

(2) The results of the medical examination shall be specific and objective so as to be susceptible to review by independent medical evaluators and shall be transmitted to the applicant or employee at the same time as the employing official;

(3) The results of the medical examination shall not be used to screen out qualified applicants and employees but to determine proper placement and
